

In Search of Better Health

KENYA MEDICAL RESEARCH INSTITUTE

INTERNATIONAL OPEN TENDER

The Kenya Medical Research Institute (KEMRI) is a state corporation, established through the Science and Technology (Amendment) Act of 1979. Its mandate is to conduct research in human health.

The Government of Kenya (GoK) intends to establish a facility for the local production of Human vaccines in order to strengthen prevention of immunizable diseases including COVID-19. To achieve this objective, GoK desires to recruit a consultant in design, drawing and cost estimation of a vaccine manufacturing facility.

KEMRI invites interested and eligible tenderers for the tender as indicated below;
