SUBJECT: REQUIREMENTS FOR POSTGRADUATE SEMINARS

We would like to remind all continuing postgraduate students of the following requirements regarding postgraduate seminars. Before submitting proposals all postgraduate students will be required to have presented a minimum of 2 proposal seminar presentations: one at Graduate School level and the other at departmental level.

Before submitting the final thesis, all postgraduate students will be required to have presented a minimum of two (2) and four (4) thesis seminar presentations for Masters and PhD students, respectively.

For all postgraduate seminars, the evidence of presentation is a copy of signed and stamped minutes of the proceedings, and indicating the verdict taken.

Yours faithfully,
