Vacancy number: CGHR/312/08/22

The Kenya Medical Research Institute is committed to providing the youth with opportunities to acquire, sharpen their knowledge and gain technical/practical skills to complement their studies thereby enhancing their employability in line with the Kenya Vision 2030. The KEMRI Internship Program (KIP) seeks to develop a pool of young talent adequately exposed to working in the research industry. After the planned one year internship program, the candidates will have gained practical workplace experience to enable them have a competitive edge in their job search.

KEMRI-CGHR Kisumu is seeking to recruit Intern in the below mentioned field:

Internship Area: Laboratory Technology - (1 position)

Location: Bondo

Project: ReSCOV study.

Requirements:

- i. Diploma in Medical Laboratory Technology, Medical Microbiology, Biomedical Sciences from a recognized institution in Kenya
- ii. Must be computer literate
- iii. Must reside in the study area
- iv. Must be fluent in oral & written Dholuo
- v. Be below thirty (30) years of age

Terms of Engagement:

Appointment in the Internship program will be for a period of one year without the option of extension

Please Note:

- i. A modest stipend of Ksh. 15,000 will be provided which may not be sufficient and therefore the successful candidates will need to cater for their own accommodation and upkeep during this period.
- ii. Interns will be expected to take up a personal accident cover and medical Insurance cover.
- iii. The program WILL NOT offer employment after the completion of internship.
- iv. MUST be fluent in English and Kiswahili

Applications should include the following:

- Letter of Application indicating the field of study and vacancy number.
- Current Resume or CV with names and contact information (telephone and e-mail address)
- Copies of Certificates and transcripts.

Apply to Deputy Director, CGHR, P.O. Box 1578-40100, Kisumu not later than September 29, 2022.
