

**KENYA MEDICAL RESEARCH INSTITUTE
VACANCY ANNOUNCEMENT**

Opening date: November 23, 2022

Vacancy: CGHR/321/10/22

Title: Measuring the medium-term impact of school-based interventions as girls transition into adulthood (CCG2)

Project description

The project is being conducted by the Kenya Medical Research Institute in collaboration with the Liverpool School of Tropical Medicine

This research comprises multi-disciplinary clinical and observational studies among adolescent girls and young women in rural western Kenya. The main project follows-up girls previously enrolled in a trial conducted in Siaya County. It will examine the potential effect of prior trial interventions on participants health, and social equity, maternal outcomes of pregnancy, and perceived value of trial participation and interventions. Candidate will have opportunities to also work on parallel studies conducted by the team.

Position: Clerical Officer (CI) KMR 10 (2 positions)
