### TO WHOM IT MAY CONCERN

Dear Sir/Madam,

#### ADDENDUM 1

#### TENDER REFERENCE NUMBER:

1. **KEMRI/HQ/011/2022-2023: Tender for supply, delivery, installation testing and commissioning of a Next generation Sequencer (NGS)**
2. **KEMRI/HQ/012/2022-2023: Tender for Supply, delivery, installation testing and commissioning of an Automated Purification system**
3. **KEMRI/HQ/013/2022-2023: Tender for Supply, delivery, installation, testing and commissioning of an endoscopy tower and accessories**
4. **KEMRI/HQ/014/2022-2023: Tender for Supply, delivery, installation, testing and commissioning of an ultra-high performance liquid chromatography mass spectrometry**
5. **KEMRI/HQ/015/2022-2023: Tender for Supply, delivery, installation, testing and commissioning of a fragment analyzer**

Pursuant to enquiries from several interested bidders seeking clarification and review of the above-mentioned tenders, the information has become available and revised tender documents are to be issued. This will provide for a **fair, equitable, transparent, competitive** and objective procurement process. The review gives clarity to the following areas;

- Contents of ITT 8.4 indicate that minutes of the pretender meeting will be published on our website However, as indicated in the Tender data sheet (TDS), there will be

no pretender visit. However, for any vendor who wishes to visit, they could visit our offices during working hours

- The absolute figures have been indicated for the tender security in the revised tender document under clause 22.1 , SECTION II of the Tender data sheet ( TDS)
- The evaluation criteria ( mandatory, technical and financial) has been revised
- The closing date for the above-mentioned tender has been extended to Tuesday 14<sup>th</sup> February 2023 at 10.00am.

The above clarification has responded to all issues raised by the bidders and other concerned parties.

Yours faithfully,

Prof: Sam Kariuki,

Ag. Director General/CEO

**KENYA MEDICAL RESEARCH INSTITUTE**
